

## **HIGHLIGHTS OF THE PRESIDENT'S DAILY ACTIVITIES**

**Friday, February 13, 2015**

- President Sirleaf today met with former first lady, Mrs. Nancy Doe. She had paid a courtesy call on the Liberian leader.
- President Sirleaf, this afternoon, launched the Liberia Investment Consultancy & Advisory Associates Incorporated (LICAA,Inc.), a wholly owned Liberian business.

The company is a union of two wholly Liberian owned consulting firms founded in the 1970s: ZOSI Consultancy Inc. and Resources Development Corporation. It is now, a multi-disciplinary consultancy and advisory service entity offering consultancy services derived from Liberian experience and expertise, which total over two hundred accumulated years of professional practices utilizing time-tested skills that solve our clients' business problems.

Their Mission is to provide cost effective outcomes based on multi-disciplinary consultancy and advisory services. Their Vision is to be a firm that overcomes for its clients, burdensome bottlenecks and business bureaucracies, typical of the region, thereby providing credible "One Stop Shop" successes of clients' priorities.
