President Ellen Johnson Sirleaf returned home after attending the 23rd Ordinary Session of the Summit of the African Union in Malabo, Equatorial Guinea from June 26-27, 2014.

During the Summit, the Liberian leader, who chairs the High Level Committee on the Post-2015 Development Agenda, presented a draft report to the Assembly. The Summit considered the report and requested Member States to mobilize together, to ensure that the agreed Common African Position (CAP), which is to eradicate poverty in all its forms, is the key message for all African representatives in the intergovernmental negotiation process on that crucial subject for Africa.
