

## PUBLIC ANNOUNCEMENT

The USAID/Land Governance Support Activities (LGSA), in strengthening land governance in Liberia, and in collaboration with the Forestry Training Institute (FTI) is offering a Ten (10) month academics excellence program in Geomatics. The program will be at the Forestry Training Institute (FTI) in Tubmanburg, Bomi County.

The Geomatics Education Program (GEP) intermediate professional school's objectives is to provide technical education in data collection, analysis, processing and interpretation relating to LAND, thereby providing expertise in surveying and mapping, geo-information science and remote sensing, to the Liberian land sector.

LGSA/FTI, therefore, is recruiting two (2) high school graduates from each of the 15-counties to enroll for a ten (10) month professional education. An entrance test will be administered on the following dates, locations, and time.
