

# Programme Manager Income Generation and Livelihoods

This vacancy is open to Liberians ONLY.

This is a re-advertisement therefore candidates who had earlier applied **must** re-apply.

**Internal Job Grade** - National Contract - C2

**Contract type** - Open Ended Contract

**Reporting to** - Area Manager

**Staff reporting to this post** - 1-2 staff depending on the programme needs

**Locations** - Zwedru, Grend Gede County, South East Liberia

**Oxfam Purpose**

To work with others to find lasting solutions to poverty and suffering.

**Country Purpose:**

In 2020, Liberian women and men have an equal, sustained, representative and equitable dialogue with each other and the State on strategies to redress inequalities, which will as a means reduce poverty.

Oxfam in Liberia believes in and work towards a gender-focused active citizenship movement as the basis for the development of a Liberia that is just, equitable, inclusive and has the basis for development and growth.

To that end, Oxfam in Liberia believes that it is crucial that civil society has a voice that is built on gender justice. We believe that a strong and empowered social movement that is representative of the voices of women as much as that of men, of male and female youths as much as that of their elders, that recognizes the diversity of the population and their needs will contribute to **a Liberia with an improved quality of life characterized by active citizenship, equitable and sustainable development in a just and inclusive society**, Oxfam' vision for Liberia. In conjunction with this, and in alliance with civil society, we will continue supporting the government in the development of systems that contribute to the vision.

## **Job Purpose**

In close coordination with the country programme team- will catalyse the growth and development of the Income Generation and Livelihood programme in Liberia and provide hands on technical support to other programming and policy influencing areas. The position also provides thought leadership and effective coordination in policy reform processes where relevant while participating in resource mobilisation in line with Oxfam in Liberia's country strategy.

## **Key Responsibilities and Accountabilities**

To ensure that women's rights are at the centre of all Oxfam's programming in Liberia

### **Thought leadership and strategic management**

- Provide thought leadership on all livelihoods programming in Liberia, staying up to date with the latest thinking, undertake/commission organised research and analysis and spend time in reflective consideration to develop a comprehensive understanding of the theme in Liberia, how it contributes to poverty and Inequality in the country, and ways of addressing these

### **Program design, development, implementation and monitoring**

- Deliver the livelihoods program with impact that contributes to the principle of one program in Liberia, seeking synergy with the other themes
- Ensure that women's rights are developed and protected in the program
- Manage staff, consultants and researchers as required, in accordance with Oxfam policy and procedures
- Effectively manage allocated budgets
- Working closely with the Program Director and the MEAL Manager, ensure that an effective, transparent and robust MEAL system and process is in place to ensure that the program delivers on the ambition of the Liberia OCS

### **Working with partners and stakeholders**

- Develop a comprehensive understanding of Oxfam's partnership approach, including work with coalitions and networks, adopting a strategic, proactive perspective on how to achieve partner led approaches to achieve sustainable change
- Develop and facilitate links with civil society, the private sector and governments, initiating contacts and building associations that can be used to enhance Oxfam's work , and identifying key partners to collaborate with on the delivery of the program
- Coordinate and mobilise technical support for the program partners, accompanying them and ensuring high quality of programming

### **Resource mobilisation**

- Working closely with the Funding Coordinator, participate in relevant fundraising activities, through the development of fundable concepts (at all levels) and by assisting in the development of donor proposals, budget submissions and other necessary activities to secure funding for programme objectives

### **Technical Skills, Experience & Knowledge**

- Ability to engage and influence both corporate direction, contributing to and following it as appropriate and the ongoing development of program policy and quality to enhance the impact of Oxfam's work in Liberia
- Ability to build a people's movement around resilient livelihoods and inspire followership
- Proven analytical and conceptual thinking, high level research, project management knowledge and skills and experience using participatory tools and methodologies for assessment, program identification, implementation, monitoring and evaluation
- Comprehensive knowledge and experience of implementing sustainable livelihood programs and initiatives, in both development and humanitarian program operations, ideally built on mature understanding of relevant issues derived from field experience
- Strong program management and quality knowledge, with ability to ensure consistent quality against standards and to implement effective monitoring and evaluation systems to assess and adjust performance

- Commitment to and good knowledge of working with networks, coalitions and a partnership approach across the spectrum of Oxfam's work, including innovative approaches to capacity strengthening
- Good knowledge of and experience in developing advocacy and campaign strategies and plans and successfully achieving external impact and change. Some experience in undertaking media presentations
- Good knowledge of and experience with donor funding environment and good financial management skills, with experience of project budgeting and controlling financial risks
- Experience in working with multi-sectoral teams at different levels
- Proven management experience at a strategic level in a complex, dispersed organisation with evidence of leading, facilitating and integrating a specific area of expertise across a wide network, providing clarity and focus of vision and impact, strategic planning and decision making and the delivery of agreed results
- Excellent knowledge of the Liberian environment and issues
- Politically astute, with high impact influencing and persuasive skills and personal gravitas to gain respect and build and maintain strong, credible relationships, with internal and external stakeholders at all levels
- Strong organisational and personal management skills, with ability to prioritise work issues to meet deadlines with minimal supervision and adjust to constantly changing situations while maintaining focus on delivery and follow-through
- Excellent personal communication skills, in written and verbal English
- A high level of self-awareness, initiative, sound judgment, personal energy and flexibility
- Relevant academic qualifications, preferably in agriculture, international development, economics, politics, sociology or humanities, especially at post-graduate level
