

HIGHLIGHTS OF THE PRESIDENT'S DAILY ACTIVITIES – Friday, November 25, 2016

- A 14 year-old Liberian boy, Friday Jacob, who has been faced with a terrible eye disease has been flown to India for a major surgery. Friday Jacob has been battling with the strange eye condition for a prolonged period. Friday Jacob departed Liberia for India on Friday, November 26, with assistance from President Sirleaf.
- President Ellen Johnson Sirleaf on Friday also received two senior United Nations officials – Ms. Phumzile Mlambo-Ngoka, Executive Director of UN Women and Mrs. Zainab Bangura, SRSG for Sexual Violence in Conflict – at her Foreign Ministry Office. The UN Women Executive Director briefed the President about current and pending programs of the UN entity in Liberia that focus on women.
