

HIGHLIGHTS OF THE PRESIDENT'S DAILY ACTIVITIES – Wednesday, July 20, 2016

- The Cabinet, on Wednesday, July 20, carefully reviewed the status updates on key benchmarks in the areas of roads, ports, water & sanitation, education as well as Task Force performance covering agriculture and agro-processing and manufacturing and business support; threatened punitive action against any member of the executive involved in budget manipulation and mandated a vigorous and aggressive Sector Ministers-led Town Hall meeting education and information-dissemination campaigns. The body, amongst other things, took note of the status updates on roads, ports, water & sanitation, education and related Task Force performance projects and mandated proper and effective coordination initiatives that will translate into realizable outcomes for the benefit of the nation and its people.
