

## **HIGHLIGHTS OF THE PRESIDENT'S DAILY ACTIVITIES**

**Monday, July 6, 2015**

- President Ellen Johnson Sirleaf received in audience the Minister for Foreign Trade and Development Cooperation of the Kingdom of the Netherlands, Ms. Lilianne Ploumen and delegation and expressed appreciation over the visit of a Dutch business delegation to Liberia.

Ms. Ploumen, at the head high-level trade mission, including representatives of at least 30 Dutch companies was in the country for a one-day Liberia-Netherlands Business and Investment Dialogue.

In the meeting with the delegation, President Sirleaf said Liberia was opened for business especially business that will foster inclusive economic growth. She assured Ms. Ploumen and delegation that their investment will be "fully protected" under the laws of Liberia and appealed for investment in the country's youthful population as this is Liberia's future.

Responding, the head of Netherland's delegation expressed thanks and appreciation to President Sirleaf for affording them the opportunity to undertake this unique visit to Liberia, and assured her of their deep interest to invest in Liberia, especially the country's young population; adding, "We are willing to work with the young the people of Liberia."
