The Government of the Republic of Liberia through the National Port Authority (NPA) has signed a Loan Agreement with Kuwait Fund for Arab Economic Development for assisting in the financing of the Port of Greenville Rehabilitation Project. Part of the proceeds of the Loan will be allocated toward the purchase of Reachstackers, Forklift, Navigational Aids, New Tug Boats, Log Loaders as well as Patrol & Pilot Boats under the contracts: IFB No NPA/NCB/010/14/15; IFB No NPA/ICB/014/14/15; IFB No NPA/ICB/012/14/15; IFB No NPA/ICB/008/14/15; IFB No NPA/NCB/011/14/15; IFB No NPA/ICB/007/14/15 respectively.

The announcements inviting sealed bids for these items began on June 18, 2014 with set bid opening dates. However, because the legal opinion that should have followed the ratification of the loan is just being processed by the appropriate authorities, the National Port Authority must adjust the dates previously announced and therefore wishes to notify the public of the extension of the "Bid Opening Dates" for the six (6) different bids as stipulated below. Bids submission will continue for each items up to the respective extended opening dates.
