SPECIFIC PROCUREMENT NOTICE

National Competitive Bidding (NCB) IFB/No.: FY'17/PL/GF/2017/008-011

Plan International is a non-religious, non-political, and non-governmental, child centered international humanitarian organization. Plan International operates in 72 countries around the world providing support to more than 1.7 million children, their families and communities, mainly in Africa, Asia, and South America. Plan International implements projects in sectors of health, education, water and sanitation, livelihood, income generation, and cross-cultural communication. Child sponsorship forms the basis of our work with children.

Plan International Liberia is one of the two Principal Recipients of the Global Fund grant funding for the implementation of the Liberia Global Fund New Funding Model (NFM) Malaria Program "Scaling up Malaria Prevention and Control Interventions through all Sectors in Liberia for Sustained Universal Impact".

Under the component for community health, the grant will require procurement of the following items:
