

## **HIGHLIGHTS OF THE PRESIDENT'S DAILY ACTIVITIES**

**Sunday, June 28, 2015**

- President Ellen Johnson Sirleaf joined her colleagues, host and current Chair, Guinean President Professor Alpha Condé; Sierra Leone's President, Dr. Ernest Bai Koroma; and the Minister of Foreign Affairs and Representative of Ivorian President Alassane Ouattara, Mr. Charles Koffi Diby for the 3<sup>rd</sup> Extraordinary Session of the Mano River Union (MRU) in the Guinean capital, Conakry. Also present were the President of the World Bank and Development Partners.

During their frank and cordial deliberation, MRU Heads of State and Government reviewed the conclusions of the Ministerial Meeting held on June 20, 2015 in Conakry and adopted the priorities and costs of the sub-regional program as well as the institutional and financial mechanisms to ensure the effective and efficient implementation of programmes with a view to returning the affected States, not only to normalcy and to the pursuit of their national development agendas but, setting the sub-region back on the path for sustainable socio-economic development, peace, stability and regional integration.
