- President Ellen Johnson Sirleaf today received the 20-member team of the First Responders Emergency Medical Services Incorporated of Montserrado County District # 13 Representative Saah Joseph at her Foreign Ministry office.

Representative Joseph, who ran an emergency ambulance service during the Ebola crisis, informed President Sirleaf that his organization had concluded arrangements for the deployment of a response team with three ambulances to aid the fight against Ebola in Sierra Leone in support of the Liberian Government's pledge to assist the people of Sierra Leone in the current fight against the further spread of the deadly Ebola virus disease.

She thanked the Montserrado County Representative for his commitment to help eradicate the deadly Ebola virus disease not just from Liberia, but the entire sub-region and expressed government's admiration and appreciation for the work of the First Responders Emergency Medical Services and Representative Joseph in particular.
