

HIGHLIGHTS OF THE PRESIDENT'S DAILY ACTIVITIES – Tuesday, July 28, 2015

- Before her departure from Greenville, Sinoe County following the successful co-hosting of the 168th Independence Anniversary, President Ellen Johnson Sirleaf hosted a news conference where she announced that Golden Veroleum-Liberia (GVL) has agreed to begin rehiring former employees laid off as a result of the May 26 incident there.

She also granted Executive Clemency to three inmates at the Sinoe County prison and announced the venue of the next two Independence Anniversary celebrations which is the duration of her administration.

- En route to Monrovia, the Liberian leader along with the World Bank –Liberia Country Manager, Ms. Inguna Dobraja dedicated the Kingston Weagba Public School situated in Tarjourwon District, Sinoe County.

Under this project funded by the Global Partnership for Education and the World Bank, two schools have been completed while another is undergoing construction. The Ministry of Education is constructing 41 schools across the country; while 27 of these schools have already been completed including the Kingston Weagba Public School. The remaining 14 are at various stages and majority are nearing completion.

The newly dedicated Kingston Weagba Public School complex includes: library, computer lab, latrines for boys and girls, ramps and rails for the disabled, teacher's housing, kitchen and cafeteria, administration building, two water wells and a football field.
