

HIGHLIGHTS OF THE PRESIDENT'S DAILY ACTIVITIES

Tuesday, February 17, 2015

- President Ellen Johnson Sirleaf today held discussions with a United States Congressional Staffers' Delegation visiting Liberia. The delegation is in country to assess the impact of the United States Government's assistance to the Ebola response and to see what lies ahead of the country for the post-Ebola period.

The delegation headed by Majority Clerk, Senate Appropriation Sub-Committee for State and Foreign Operations and Related Programs, Mr. Paul Grove, included Staff Member of the same committee, Mr. Adam Yazerski; Majority Clerk, Senate Appropriation Subcommittee on Labor, Health, Human Services, Education and Related Agencies, Ms. Luara Friedel; and an official at the Department of State, Mr. Paul Radamacher.

- President Ellen Johnson Sirleaf commended the Swedish Government for its continued assistance to Liberia. She made the assertion when she met the Swedish Minister of International Development Cooperation, Ms. Isabella Lovin, accompanied by the Swedish Ambassador accredited to Liberia, Sofia Strand and a four-member delegation.
