

Highlights of the President's Activities
Tuesday, October 7, 2014

- President Ellen Johnson Sirleaf is on a one-day visit to Nimba County as part of her ongoing motivational and acquaintance visits being made to healthcare facilities across the country in the wake of the outbreak of the Ebola virus disease now ravaging three Mano River Union member countries – Liberia, Sierra Leone and Guinea.

During the visit, the Liberian leader will stop over at the Kpain Clinic along the Gbarnga-Ganta highway run by the Liberian Government, Ganta Methodist Hospital, and the Yekepa Hospital operated by Arcelor Mittal.

She will distribute Personal Protective Equipment (PPEs) and other essential health care supplies including detergents, and assorted food items to health workers during her visit to these health facilities.
