- President Ellen Johnson Sirleaf today received from the Chinese Ambassador to Liberia, H.E. Zhang Yue, at the handover ceremony, the newly constructed and refurbished compound Monrovia Vocational Training Center (MVTC) in Paynesville.

On behalf of Government, she thanked the friendly Government and people of China for this great contribution to the development efforts. She re-emphasized that China is a reliable friend and continues to be a major partner in the country's development effort.

President Ellen Johnson Sirleaf urged Liberians to maintain and protect the newly dedicated and refurbished compound of the Monrovia Vocational Training Center (MVTC); noting that too often nice projects are concluded but because of poor management or wanton destruction, these

Speaking earlier, Chinese Ambassador Zhang Yue said the new MVTC will help boost the capacity building for Liberian youth who are important for the long-term and sustainable socio-economic development of Liberia. He said that the new MVTC will undoubtedly be another symbolic landmark for the solid Sino-Liberian relations.
