

# CERATH Development Organization-Liberia

## Call for Consultants 2022

### 1. Background

CERATH Development Organization (CDO) is a development organization focused on catalyzing equitable, just, and inclusive development in Africa through five main intervention areas. These include Agriculture and Forestry, Fisheries, Renewable Energy, Water, Sanitation & Hygiene (WASH), and Inclusive Finance. The organization is operational in Ghana, Liberia, and Sierra Leone. In Liberia, CDO is operational in the South East counties of Sinoe, Grand Kru, Maryland, River Gee, and Grand Gedeh. The organization is leading a consortium to implement the Cassava Transformation Project.

CDO Liberia is creating a pool of local consultants with different areas of expertise for its current and future projects. CDO is inviting suitably qualified, experienced persons to apply. Women and young people are encouraged to apply.

### 2. Area(s) of Expertise

This Call for Consultants is for the provision of consultancy services in the following areas of expertise:

- Agronomy
- Agri-business
- Cassava Value Chain Analysis
- Micro, Small & Medium-sized Enterprises (MSMEs) Development
- Fisheries
- Gender & Social Inclusion
- Standards and Quality Management
- Global GAP Certification
- VSLA Formation and Monitoring

### 3. Application Requirements

Consultants must be based in the South East counties of Sinoe, Grand Kru, Maryland, River Gee, and Grand Gedeh. Applications must include the applicant's relevant past experience and their daily rate.

All applications should be sent in portable document format (PDF) to [procurement@cerathdev.org](mailto:procurement@cerathdev.org) by **17:00, Monday, 24<sup>th</sup> January 2022 (Liberia Time)**. The subject line for the submission should be "Specified Consultancy Area/Pool of Consultants".
