

HIGHLIGHTS OF THE PRESIDENT'S DAILY ACTIVITIES – Saturday, July 30, 2016

- President Ellen Johnson Sirleaf has extolled what she called 'The Power of Positive Collaboration' between local authorities and community members adding: "If they had not put their hands around authorities of the University of Liberia, the David A. Straz Technical and Vocational College in Garwular District, Grand Cape Mount County, would not have been there today." The President made the commendation on Saturday, July 30, when she along with Ambassador David A. Straz visited the David A. Straz Technical and Vocational College, as part of Liberia's 169th Independence Anniversary.
