**Plan International Liberia
Call for Expression of Interest**

Plan International Liberia welcomes “Expression of Interest (EOI)” to implement the Global Fund HIV/AIDS and Tuberculosis New Funding Model (NFM3) grant as sub-recipients from 1 January 2021 to 31 December 2023.

Plan International is an independent development and humanitarian organization that advances children’s rights and equality for girls and strives for a just world, working together with children, young people, its supporters and partners. Plan’s strategy is to work with vulnerable children - especially girls - so that they can learn, lead, decide and thrive. Within the 2017 to 2022 strategy, the organisation’s ambition is to transform the lives of 100 million girls. Child sponsorship and grassroots community work are central to the strategy.

Recently, PIL was awarded the Co-Principal Recipient role for the Global Fund NFM3 HIV/TB grant, with a 3-year implementation period – 1 January 2021 to 31 December 2023. The grant budget is approximately US\$9million, the program has an objective of increasing access to HIV prevention programs, and differentiated HIV testing services covering the interventions outlined below, as well as enhanced community level TB care delivery in high disease burden areas. The SRs will support the program implementation in the areas details in the table below:

| Disease Component | Description of Activities | Counties of Implementation |
|--------------------------|--|---|
| HIV | <ul style="list-style-type: none"> - Addressing stigma, discrimination and violence - Behaviour change interventions - Community empowerment - Condom and lubricant programming - Pre-exposure prophylaxis - Sexual and reproductive health services; and - Social protection interventions | <ul style="list-style-type: none"> - Bong - Grand Bassa - Margibi - Nimba |
| TB | <ul style="list-style-type: none"> - Awareness raising on TB in communities among vulnerable populations - Community TB notification, sputum collection & transportation - Contact tracing and linkage to TB diagnostic, treatment and care | <ul style="list-style-type: none"> - Montserrado - Grand Bassa - Nimba |

Plan International Liberia is inviting detailed proposal from potential and qualified organization to implement the above activity. Interested applicants should write to liberia.procurementinfo@plan-international.org no later than July 31, 2020 to request for detailed EOI requirements and other relevant documents and templates to help applicants apply.

Clarifications if required will be provided only until August 11, 2020 by PIL using the e-mail ID of liberia.procurementinfo@plan-international.org

Submitting the application and deadline: EOIs must be addressed to “Country Director, Plan International Liberia” and e-mailed to liberia.procurementinfo@plan-international.org titled “EOI for Sub-Recipient role on HIV/TB GF NFM3 Grant [state SR number e.g. SR1] – [state email number if more than one email to be sent e.g. email #1]” no later than 4:00 pm GMT on August 22, 2020. For all emails - (i) ensure that each e-mail is below 5 MB, (ii) mention clearly how many e-mails are being sent in the first e-mail, (iii) number the e-mails accordingly, and (iv) ensure all the scanned supporting documents are of good quality and readable. Hard copies of EOI and supporting documents should be submitted to the following address and clearly marked “EOI for Sub-Recipient role on HIV/TB GF NFM3 Grant [state SR number e.g. SR1]” no later than 4pm GMT on August 22, 2020;
