The Government of Liberia has received additional financing from the International Development Association (IDA), toward the cost of the Liberia Accelerated Electricity Expansion Project (LACEEP-AF), and intends to apply part of the proceeds of this fund towards payments under contract for the services towards the Preparation of the Resettlement Action Plan (RAP) for use by projects under the Liberia Accelerated Electricity Expansion Project (LACEEP-AF).

The objective of the assignment is to engage the services of a qualified and experienced consultant to prepare the Resettlement Action Plan (RAP) for the proposed World Bank-financed LACEEP AF. The consultant will prepare the Resettlement Action Plan (RAP) on the basis of the most recent and accurate information on the: (i) proposed resettlement and its impacts on displaced persons and other adversely affected groups; and (ii) legal issues affecting resettlement. The RAP covers elements that are specific to the project context.

The scope of services will include but not be limited to the following:

- Preparing the required RAP in compliance with the revised and updated RPF and ESMF approved by the World Bank for the LACEEP AF;
- The firm shall be required to undertakes consultations with a number of relevant agencies including NGO’s and the public during the preparation of the RAP;
- Organizing and carrying out public consultations on the draft final RAP report and during the preparation of the ESMMP;
- Carrying out information and sensitization campaigns to the populations including public and private entities;
• Preparing detailed cost estimate of all the activities needed to implement the RAP.
• Ensuring that all EPA requirements are met, keeping the EPA informed and included in consultations of each stage of the project.
• The firm shall provide overall management of all aspects of the work/services which shall include the nomination of a Project Manager and a Deputy Project Manager to liaise with the LEC and MLME;

The LEC (the implementing agency) now invites eligible consulting firms (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services.

The shortlisting criteria are:
• The Consultancy Firm must have significantly demonstrated experience in ESIA and RAP preparation for Electricity Transmission and Distribution facilities.
• Experience in this field in developing countries, particularly in Africa and preferably in Liberia, will be an advantage.

A firm will be selected in accordance with the Consultant’s Qualification Selection method set out in the Consultant Guidelines.

Consultants may associate with other firms in the form of a joint venture or a sub consultancy to enhance their qualifications.

Interested firms may obtain further information from the LEC at the address below during office hours 9.00 to 17:00 hours.

Expressions of interest must be delivered in a written form to the address below (in person, or by mail, or by fax, or by e-mail) on or before Monday, April 25th, 2016 at 16:00 hours.
