Intensive and hand-on Training in Monitoring & Evaluation (M&E), Strategy Procurement Management, and QuickBooks in Monrovia

The General Public is informed that **Alniaboh Liberia Inc** in collaboration with **QuickBooks Intuit professionals from the USA** will conduct an intensive and hand-on 4day training in **QuickBooks, Monitoring & Evaluation (M&E), and Strategy Procurement Management in Monrovia.**

Our Internationally acclaimed and recognized Monitoring and Evaluation (M&E) Training

Our **M&E** course is intended to **provide hand on and an in-depth understanding of results-based monitoring and evaluation methods** with practical applications of tools and methods. It will provide participants with **M&E** tools, techniques and resources needed for planning, organizing, and managing programs and projects.

Through case studies, exercises and group work, participants will learn the links between results-based measurement, monitoring and project evaluation. Practical exercises and informal question and answer sessions around common **M&E** problem areas. The course addresses **Result Based M&E** for the entire results chain, including the all-important outcomes and logic model; it covers the principles, and embeds the practice of **M&E** for results.

Cost: 125USD... Cost Covers Registration fees, Course fees, Training Materials and an internationally acclaimed Certificate upon successful completion of training. **Award:** Internationally recognized and acclaimed Certificate upon successful completion of training.

Target Participants: Project Managers and officers, **M&E** officers & managers, Business Managers, Urban Planners & Administrators, Agriculture & Social Science Students (Seniors), Engineers, Local authorities, Entrepreneurs, and Interested Individuals with Good analytical Background.

The **M&E training** starts **September 5 and ends on Sept 25 (4 Saturdays)** (4 hours every Saturday one Session: **9:00am to 1pm**)

Our Internationally acclaimed and recognized Strategic Procurement Management Training

Our **Strategic Procurement Management** course is designed to equip participants with the capacity to develop management and strategic skills in procurement in order to increase value for money. The course will enable participants to assess the meanings and outcomes of the stages in the development of an effective procurement strategy.

Through real time case studies, exercises and group works; participants will learn about the development of skills in a strategic process of procurement and build skills on how to practically undertake the procurement process.

Cost: 150USD... Cost Covers Registration fees, Course fees, Training Materials and an internationally acclaimed Certificate upon successful completion of training. **Award:** Internationally recognized and acclaimed Certificate upon successful completion of training.

Target Participants: Procurement officers, Finance Officers and Managers, CEOs, Auditors, Business Managers, Urban Planners & Administrators, Business Students (Seniors), Engineers, Local authorities, Entrepreneurs, and Interested Individuals with Good analytical Background

The **Strategic Procurement Management training** starts **September 5 and ends on Sept 25 (4 Saturdays)** (4 hours every Saturday one Session: **9:00am to 1pm**)
