**Organizational Overview**

Community Youth Network Program (CYNP) Inc. is a for-profit organization and has legally been registered in Liberia since 2014; with the aim to provide training and support services for individuals and groups, youth, women, farmers and existing enterprises to help them realize opportunities for income-generation and enterprise development; and also produce and sell safe drinking water and renewable energy products; to generate income and keep CYNP’s humanitarian programs operational when donor funding isn’t available or is slow in coming.

**Our Core Values**

To implement sustainable young farmers programs, provide safe drinking water and low-cost accessible energy products to rural communities, households and other activities that improve access and transform young people nationwide; and to provide investment opportunities, and lifesaving services now and for future generations.

**Position Purpose**

To have on-site responsibility of CYNP CCDs Field activities in the two counties and create a clear business plan that will make the CYNP’s CCDs a sustainable business service; work with all departments to monitor and measure CYNP financial growth and develop strategies to increase financial growth and sustainability of CYNP’s CCDs. Conduct monitoring and evaluation of CCDs and report to CYNP’s Management Team.

**Duties & Responsibilities**

- Manage the overall design, technical content and writing of CYNP CCDs implementation plan and subsequent extension aides’ guide and work with CCDs teams to link farmers to local and international markets.
- Develop a clear business plan for CYNP CCDs and Farmers for sustainability.
| **General Requirements** | • Attention to details.  
• Ability to work in a fast-paced environment.  
• Ability and flexibility to meet tight deadline with outstanding results.  
• Ability to work on a team across various departments.  
• Ability to conduct research and use Computer. |
