- President Ellen Johnson Sirleaf, on behalf of the Liberian Government, has received 15 brand new Ashok Leyland buses donated by the Government of India following a request during her visit there last year. The handing over ceremony took place at the premises of the National Transit Authority (NTA) in Gardnersville.

The 15 buses are additional ones to a previous 25 buses donated in October 2010 by the Government and people of India to the Government and people of Liberia.

The Honorary Consul General of India in Liberia, Mr. Upjit Sachdeva said the additional buses donated is India's way of identifying with the Liberian Government's policy program of setting up a reliable, efficient and sustainable public mass transit system in line with the Poverty Reduction Strategy.

- President Sirleaf today launched a nationwide "*No New Cases Campaign*" aimed at eradicating Ebola from Liberia by the end of the year, 2014. She launched the "*Ebola Must Go!! Ebola is Everybody's Business*," campaign at the Christ Kingdom Harvest Church in the New Georgia community.

The Liberian leader said the campaign is a nationwide effort between the Government of Liberia, partners and particularly the people of Liberia to achieve the national goal of "No New Cases" by the end of the year.
