

Call for Open Tender

CONSTRUCTION AND REHABILITATION OF TWO HAND DUG WELLS AND TWO LATRINES

Tender Reference: CWL-IA6-001-2017

Concern Worldwide has received funding from Irish Aid in support of its Water, Hygiene and Sanitation program in Lofa County. Concern Worldwide invites bids from interested companies to respond by submitting their offers in sealed envelopes for the provision of the services hereafter:

Construction of one new well, rehabilitation of one existing well and construction of two latrines for schools in Tinsue and Womai in Zorzor District, Lofa County.

The Tender dossier is free of charge, and interested companies can collect the document at Concern Worldwide, V.P. Road, Old Road, Congo Town from Monday 27th February 2017, 8:00 AM to 4:00 PM daily.

A site visit will be arranged for interested parties on Tuesday 7th March (at their own expense)

The deadline for submission of tenders is **Monday 13th March 2017 at 10:30 AM**. Bids must be deposited at Concern Worldwide office indicated above. Any tenders submitted after this date / time will be rejected.

The bids will be opened in the presence of representatives of tenderers who wish to participate on **Monday 13th March 2017 at 11:00 AM** at the Concern Worldwide office at the same address.

Concern reserves the right to accept or reject any offer prior to the award of the contract, to cancel the bidding process and to reject all offers at any time.
