- President Ellen Johnson Sirleaf met with a delegation from the United Bank of Africa (UBA) Liberia Ltd. headed by Mrs. Chioma Mang, the bank's Managing Director and Chief Executive Officer.

The visit was to make an additional donation of US\$300,000 to the Government of Liberia to help in the fight against the Ebola virus disease. In September 2014, the bank made an initial donation of a pick-up truck to logistically support government's fight. Madam Chioma Mang said the donation was in fulfillment of the bank's corporate-social responsibility to Liberia as it has been doing since its establishment here more than nine years ago.

They were accompanied to the President's Foreign Ministry office by Nigeria's Ambassador to Liberia, H.E. Chigozie Obi-Nadozie.
