INTERNAL/EXTERNAL

TRAINING MANAGER (1 POSITION)

Background

LEC is committed to building the capacity of its staff at all levels to improve the performance of the Corporation. The Training Manager will develop processes and systems to achieve this objective.

LEC invites applications from appropriately qualified and experienced candidates who have the vision and acumen to manage training and development from strategy and planning through to delivery.

Duties & Responsibilities:

- Strategy formulation
- Policy development
- Resource management
- Directing LEC training and development
- Aligning training to LEC needs
- Providing leadership on training and development
- Stakeholder management
- Co-ordination of local and international training programs

Minimum Educational Qualification: First degree or its equivalence in a related field (e.g. Management/Education)

Post Graduate Qualification (If any): A relevant post graduate qualification or higher degree (e.g. MBA, MSC) is desirable

Competencies/Skills Required:

- Strong training and development background
- Clear strategic perspective on training and development
- Strong business understanding
- Project management skills
- Ability to manage complexities
- Good communication skills

Submission and deadline for all applications

Interested individuals are encouraged to submit resumes with cover letters along with all supporting documents/credentials to the following address not later than **Friday, May 25, 2018 at 4:00 P.M.**
