

Highlights of the President's Daily Activities Tuesday & Wednesday, January 20 -21, 2015

- President Ellen Johnson Sirleaf held a two-day Cabinet in Julijuah, Bomi County on Tuesday and Wednesday, January 20- 21, 2015.

The Retreat was intended to reunite the Official Family of the Executive Branch, have a commonness of purpose, recognize the Government's successes and to set ambitious but realistic and achievable targets for the next three years. Most of Government's development activities had been put on hold due to the Ebola virus disease that had plagued the country since March 2014.

Speaking at the end of deliberations Wednesday, the Liberian leader urged her official family to be integrated, vigorous, with a common purpose to make the most of the remaining 35 months of this administration.

The next Cabinet Meeting takes place on February 18, 2015 while the first Cabinet Interactive Forum is scheduled for March 12, 2015.
