WATER, SANITATION AND HYGIENE (WASH) PROJECT

Background and Context

The United States of America, acting through the Millennium Challenge Corporation (“MCC”) and the Government of Liberia (the “Government” or “GoL”) have entered a Millennium Challenge Compact for Millennium Challenge Account assistance to help facilitate poverty reduction through economic growth in Liberia (the “Compact”) in the amount of approximately 256,726,000 USD (“MCC Funding”). The Government, acting through Millennium Challenge Account - Liberia (the “MCA Entity”), intends to apply a portion of the MCC Funding to eligible payments under a contract for which this Request for Proposals (“RFP”) is issued.

MCA-Liberia now invites proposals from legally constituted consulting firms to provide the consultant services. More details on these consultant services are provided in the Terms of Reference and the RFP. The RFP is open to all eligible entities (“Consultants”) who wish to respond. Subject to restrictions noted in the RFP, consultants may associate with other consultants to enhance their capacity to successfully carry out the assignment.

This RFP is for: **WATER, SANITATION AND HYGIENE (WASH) PROJECT**

How to Participate in the Process:

Interested consulting firms/businesses should send an email to MCALiberiaPA@cardno.com requesting a copy of the RFP, which is free of charge.
