

A MESSAGE OF THANKS AND APPRECIATION FROM HIS EXCELLENCY
DR. GEORGE MANNEH WEAH

PRESIDENT OF THE REPUBLIC OF LIBERIA

October 2, 2022

Fellow citizens, friends and well-wishers,
I extend heartfelt thanks and appreciation to all Liberians for sending me their prayers and best wishes on the occasion marking my 56th birthday.

Hundreds of supporters, friends, and well-wishers on Saturday, October 1, 2022 demonstrated love and support through their greetings and early morning visits, while others - including the Armed Forces of Liberia band - serenaded my family with beautiful melodies. I am thankful.

I am also grateful to my darling wife Mrs. Clar Marie Weah, the First Lady of Liberia, who has remained a pillar of strength and a wise counsel throughout all these years.

I am appreciative too to officials of government, as well as the leadership of the Coalition for Democratic Change, who joined in the celebration of the day.

Let me express particular thanks and appreciation to South African President Cyril Ramaphosa who conveyed his personal birthday greeting through the South African Embassy, along with the compliments we received from other World Leaders, friends and partners of Liberia.

I am glad to be marking another year of good health.

I urge all Liberians that in spite of our differences, let's continue to work towards maintaining the hard-earned peace our nation now enjoys.

May God Almighty continue to bestow his bountiful blessings upon us.

Thank you

H.E. Dr. George Manneh Weah, Sr.
