

A MESSAGE OF THANKS AND APPRECIATION FROM PRESIDENT WEAH  
FOLLOWING HIS PARTICIPATION AT THE 77TH GENERAL ASSEMBLY OF THE  
UNITED NATIONS

New York, USA  
September 24, 2022

As I return home, along with my entourage, following a very successful trip to the 77th UN General Assembly in New York, I want to thank all Liberians for the enormous support accorded my delegation.

It is always an honor representing the country at international gatherings, particularly at the United Nations, where I hold with great respect, the public trust to make Liberia's case.

In doing so this year, we highlighted the progress that we have made over the years, and the challenges we are tackling, while also stating the country's position on pressing global matters.

But I would be remiss not to particularly thank Liberians in the U.S - the leadership and members of Liberian organizations; the leadership and members of the CDC, friends, and well-wishers - who turned out in their numbers to render their utmost approval. Basking in their support was a moment of national pride, for which we remain grateful.

I am also grateful to all my compatriots back home and around the world who kept us in their prayers and wished the delegation well.

It's good to be home and getting back to the tasks at hand.

Thank God for traveling mercies. Amen
