About the Role

Karish Eye Center, a leading vision-care provider in Liberia, invites qualified and passionate candidates to apply for the position of Ophthalmic Nurse. We are committed to delivering high-quality, affordable eye-care services and seek a professional who shares our dedication to excellence and patient well-being.

Qualification Requirements

- BSc Nursing or Diploma in Nursing from a recognized institution
- Minimum 1 year of clinical experience (eye-care experience is an added advantage)
- Valid nursing license from the Liberia Nursing & Midwifery Board
- Strong patient-care skills, professionalism, and ability to work in a fast-paced clinical environment
- Good communication and teamwork abilities

Key Responsibilities

- Conduct visual acuity tests, triage patients, and support ophthalmic examinations

- Assist optometrists and ophthalmologists during clinical procedures
- Maintain accurate patient records and uphold clinical safety standards
- Provide patient education on eye-care, treatment plans, and follow-up
- Support outreach activities, including mandatory eye-screening exercises for driver's license pre-qualification

Work Location

Karish Eye Center
SKD Boulevard Junction, Paynesville – Near Conex Gas Station

Application Deadline

July 20, 2026

How to Apply

Interested candidates should submit:

- Application letter
- Updated CV
- Copies of academic credentials and license
