Title:	Director of Operations
Posting Number:	S_90
Posting Date:	September 21, 2026
Reporting to:	General Manager
Grade Level:	M3

Applications will be accepted up to October 20, 2026

The Director of Operations (DOO), Firestone Liberia (FSLB), will oversee the company's supply chain operations including manufacturing, logistics and technical services. Reporting to the General Manager, the DOO will be a key member of FSLB's leadership team, contributing to the company's strategic direction and performance.

The DOO will lead 4 key initiatives: 1) ensuring FSLB is 'future fit' in terms of optimizing rubber manufacturing capacity; 2) identifying, training, and deploying talent; 3) implementing systems to ensure FSLB is a center of excellence in safety and manufacturing efficiency.

Minimum Qualifications

Bachelor's degree in engineering with 10+ years' experience in a progressive agribusiness career, covering, manufacturing operations, logistics and technical services.

Preferred Qualifications

Master's degree in engineering with 15+ years of relevant experience in agricultural estates' management at Director level. Proven leadership and project management skills. Experience in managing P&L's, operating TSR and RSS manufacturing facilities and implementing sustainability programs.
