Title: Garage Parts Inventory Manager
Posting Number: 25/M-061/FS
Posting Date: August 25, 2025
Reporting to: Operations Director

Applications will be accepted up to September 15, 2025

The Garage Parts Inventory (GPI) Manager at Firestone Liberia (FSLB) will control and manage the inventory of the company's fleet of vehicles, trucks, and heavy machinery. Coordinating with the Procurement Team, the GPI Manager will monitor and forecast stock levels and orders, to prevent overstocking and stockouts. The GPI manager will oversee all warehouse operations, including teammate supervision, HSE protocols and the storage, labeling and handling of goods. Utilizing inventory management software, the GPI manager will analyze inventory trends to improve stock turnover and reduce holding costs. Liaising with the security team, the GPI manager will implement measure to prevent losses, including regular stock takes and reconciliations.

Minimum Qualifications

Bachelor's degree and/or 10+ years of relevant experience including 7+ years' experience in an agribusiness, working in Inventory control and management.

Preferred Qualifications

Bachelor's degree and/or 15+ years of relevant experience including 10+ years leadership experience in digital inventory management. Knowledge in machinery parts and technical aspects an advantage.
