Full Time

Title: Head of Health & Safety
Posting Number: 25/M-064/FS
Posting Date: August 25, 2025
Reporting to: General Manager

Applications will be accepted up to September 15, 2025

Firestone Liberia (FLSB) seeks an Advanced Health & Safety (HS), Industrial Hygiene (IH) & Process Safety Management (PSM) professional to oversee all HS, IH and PSM matters across the company, with the objective of minimizing HS & IH incidents. The Head of Health & Safety will:

1. Support FLSB's operational leadership and locations to develop and achieve safety objectives.
2. Lead the implementation of HS&IH policies and procedures.
3. Conduct regular HS&IH audits for educational and conformance purposes.
4. Support the investigation of loss incidents and assist with determining root causes to develop countermeasures.
5. Oversee OSHA recordkeeping and other internal/external reporting for their division and locations

Minimum Qualifications

Bachelor's degree in Safety / Industrial Hygiene / Engineering or equivalent and 10+ years' full-time safety and health experience, including 7+ years in an agribusiness or mining operation. CSP, CIH, PE or related certification preferred. Demonstrated experience in improving compliance associated with following elements: MOC, PHA, PSI, MI etc. Advanced knowledge and experience in health, safety and industrial hygiene program development, implementation, and management (e.g., ISO 45001).

Preferred Qualifications

As above, with 15+ years full time safety and health experience.
