Title: Head of Technical Services
Posting Number: 25/M-062/FS
Posting Date: August 25, 2025
Reporting to: Operations Director, Firestone Liberia

Applications will be accepted up to 15 August 2025

The Head of Technical Services, Firestone Liberia (FSLB), will lead the engineering teams including Electrical, Water & Sanitation, and Civils that build, repair, and maintain FSLB's infrastructure. These tasks include the 4.2 MW hydro-electrical plant, TSR factory, the hospital & medical clinics, housing units & other all other ancillary facilities.

The Head of Technical Services will be responsible for the following key areas:

1. Long term project management and budgetary planning.
2. Leadership and oversight of the Electrical, Civils and Water & Sanitation teams, assessing and approving project proposals, setting targets and monitoring progress against timeline and financial targets.

Minimum Qualifications

Engineering Qualification. 10+ years of relevant experience including 7+ years' experience in an agribusiness.

Preferred Qualifications

Engineering Qualification. 15+ years of relevant experience including 10+ years in an agribusiness or electro-mechanical / civil engineering / construction business. Proven senior leadership skills and project management experience. ISO 9001 / HSE / Audit qualifications an advantage.

Send resume to: FSLBHR@bfusa.com
