Reporting to:	Supply Chain Supervisor (Lead Pharmacist)
Grade Level	S1

Applications will be accepted through October 4, 2026

Position Summary

Firestone Liberia LLC is seeking a qualified Pharmacist to support the Lead Pharmacist in managing pharmaceutical and hospital supplies. The role is responsible for procurement, inventory control, distribution, compliance, and supporting quality patient care through effective pharmacy supply chain management.

Key Responsibilities

- Manage and monitor pharmaceutical procurement, inventory, and distribution.
- Ensure availability of essential medications and maintain stock levels.
- Support implementation of pharmacy and supply chain initiatives.
- Collaborate with healthcare providers to meet patient medication needs.
- Maintain accurate records and ensure regulatory compliance.
- Participate in vendor and product evaluations.
- Support Hospital Information System activities and other assigned duties.

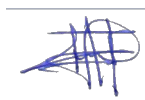

Minimum Qualifications

- Bachelor of Pharmacy (BPharm) or Doctor of Pharmacy (PharmD) from an accredited institution.
- Minimum 2 to 3 years of relevant pharmacy or healthcare experience.
- Knowledge of pharmacology, inventory management, and medication therapy.
- Strong communication, teamwork, and computer skills.

Preferred Qualifications

- Advanced pharmacy degree or professional certification.
- Supervisory or leadership experience in a hospital pharmacy.
- Knowledge of Liberian healthcare regulations and pharmacy standards.
- Demonstrated leadership and staff development skills.

Application Process: Interested internal candidates should submit their resume to the Human Resources Department or email FSLBHR@bfusa.com Please reference **Posting Number S_94** on all application documents.

A handwritten signature in blue ink, appearing to be "FSLBHR", written over a horizontal line.
