Applications will be accepted up to October 4, 2026

Firestone Health Services is seeking a qualified **Staff Nurse Supervisor** to oversee nursing operations, supervise ward staff, and ensure the delivery of high-quality patient care.

Key Responsibilities

- Supervise and support nursing staff within assigned wards/units.
- Ensure quality patient care and adherence to healthcare standards.
- Conduct patient assessments, administer medications, and participate in ward rounds.
- Maintain accurate patient records and prepare required reports.
- Coordinate with physicians, patients, families, and multidisciplinary teams.
- Ensure compliance of Nursing Team to Hospital Information System SOPs and Policies.
- Manage ward resources, equipment, and supplies (inventory management)
- Respond to EHS issues within the department
- Ensure compliance with hospital policies and safety standards.

Minimum Qualifications

- Bachelor of Science in Nursing (BSN) or equivalent.
- Valid Registered Nurse (RN) license.
- 3 to 5 years of clinical nursing experience in a hospital setting.
- Strong skills in patient assessment, medication management, and IV placement.
- Computer literacy and excellent communication, leadership, and problem-solving skills.

Working Conditions: Flexible schedule, physically demanding role, fast-paced healthcare environment, and collaboration with multidisciplinary teams.

Application Process: Interested internal candidates should submit their resume to the Human Resources Department or email FSLBHR@bfusa.com Please reference Posting Number **S_93** on all application documents. **Only shortlisted candidates will be contacted.**
