

HIGHLIGHTS OF THE PRESIDENT'S DAILY ACTIVITIES – Thursday, February 8, 2018

- President George Weah met with a delegation of the Health Workers Association of Liberia. The meeting, which took place under a friendly atmosphere, was held on Thursday, February 8, at the Ministry of Foreign Affairs. The Liberian leader commended the Health Workers for their commitment and sacrifices to the nation and assured them of his continued support aimed at revamping the health sector. President Weah said he was appalled by the existing condition of the John F. Kennedy Memorial Hospital and promised to work towards transforming the facility.
