The Government of the Republic of Liberia has received funding from the African Development Bank Group (AfDB) towards the cost of paving the John Davis Town – Zwedru City (48.5km) under the Mano River Union Road Development and Transport Facilitation Programme (MRU/RDTFP) Phase IV. The Government intends to use part of the proceeds of the MRU IV funding for payment of the contract for the recruitment of a Community Liaison Officer.

The overall objective of this assignment is to ensure effective two-way communication and trust-building between the PIU, contractors, supervision consultants, CSOs, project-affected communities, and other stakeholders along the project corridor. The Community Liaison Officer (CLO) will act as the primary link for social safeguard implementation at the community level, have frequent stakeholder engagements with local authorities, and support the delivery of the RAP, SEP, LRP, GRM, and GBV/SEA/SH Action Plan in a transparent, inclusive, and participatory manner.

The assignment will require interacting with communities, stakeholders, and various inhabitants on the road corridor, interacting with Project Affected Persons (PAPs), monitoring the implementation of the Stakeholder Engagement Plan, Resettlement Action Plan (RAP), Gender Based Violence (GBV) Prevention and Action Plan, Livelihood Restoration Program, amongst others. It will also involve operationalizing the Grievance Response Mechanism (GRM), undertaking periodic monitoring of progress reporting of the implementation of social activities, evaluating environmental risks associated with the project implementation, performing other relevant duties consistent with the functions of the Project, and as may be assigned by the Supervisor from time to time, amongst others.

The assignment is full-time and site-based, running from contract signing until project completion. Renewal is annual, based on satisfactory performance. Interested individuals **must** provide information indicating that they are qualified to perform the services, as a Community Liaison Officer (i) Bachelor's degree in Social Sciences, Land Management, Environment, Development Studies, or related field (ii) Have at 2–5 years' experience in community engagement, stakeholder coordination, or social safeguards (iii) Experience and familiarity with RAP, SEP, GRM, or LRP monitoring, GBV/SEA/SH grievance handling and referral pathways, (v) Strong interpersonal and communication skills, (vi) Proficiency in Microsoft Office (Word, Excel, PowerPoint (vii) Native/resident of the project area is an advantage and speak the local language (Krahn)Grebo amongst others. Female candidates are strongly encouraged to apply.

Eligibility criteria, the establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank's ***"Procurement Policy and Methodology for Bank Group Funded Operations" (BPM), dated October 2015,*** which is available on the Bank's website at http://www.afdb.org.
