The Government of the Republic of Liberia has received funding from the African Development Bank Group (AfDB) towards the cost of the Paving of the John Davis Town – Zwedru City (48.5km) under the Mano River Union Road Development and Transport Facilitation Programme (MRU/RDTFP) Phase IV and intends to use part of the proceeds of MRU/RDTFP IV funding for payments under the contract for the provision of Technical & Road Safety Audit Consultancy Services.

The Technical & Road Safety Audit service will ensure that the road is constructed to the design specifications and that the contractor is paid as per the contract conditions. The service aims to ensure compliance with road works and will focus on the examination of the quality of ongoing works, and the quality of works completed, to verify if the road works comply with the technical specifications, design, and estimate documents and standards described in the contract. The firm must have previous successful experience with carrying out technical and road safety audits or similar quality assurance services in the road sector during the past ten (10) years.

The Ministry of Public Works now invites eligible consultants (firms) to indicate their interest in providing these services. Interested consultants **must** provide information indicating that they are qualified to perform the services (i) information detailing the company's existence and areas of expertise (ii) list of similar assignments and experience in similar conditions, (iii) list of overall permanent and temporary staff in fields related to the assignment (iv) evidence of past performance (v) any other relevant information. Consultants may constitute joint-ventures to enhance their chances of qualification.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank's ***"Procurement Policy and Methodology for Bank Group Funded Operations" (BPM), dated October 2015***, using the Quality & Cost Based Selection (QCBS) method which is available on the Bank's website at <http://www.afdb.org>. The MPW is under

no obligation to shortlist any consultant who expresses interest. The assignment is expected to be carried out intermittently throughout the life of the road construction period of thirty-six (36) months in accordance with the work schedules for completion of the road construction contracts.

Interested consultants may obtain further information at the address below during office hours 8:00 AM – 4:00 PM Monrovia Time. Detail information can be obtained from the Terms of Reference by clicking on this link below:
