Programme ID: P-Z1-DB0-209

September 9, 2026

The Government of the Republic of Liberia has received funding from the African Development Bank Group (AfDB) towards the cost of the Paving of the Kelipo – Putuken - John Davis Town(61.5km) under the Mano River Union Road Development and Transport Facilitation Programme (MRU/RDTFP) Phase III and intends to use part of the proceeds of MRU/RDTFP Phase III funding for payments under the contract for the provision of Environmental and Social Performance Audit and Resettlement Action Plan (RAP) Compliance/Completion Audit Consultancy Services.

The service entails providing an independent, evidence-based assessment of the project's environmental, social, and resettlement performance; verifying compliance with AfDB safeguard requirements, Liberia's legal framework, and good international practice; and recommending corrective and preventive measures to strengthen accountability, institutional capacity, and sustainability. The assignment will be undertaken during the period 2026–2029 and constitutes a critical element of the African Development Bank's (AfDB) safeguards framework, ensuring compliance with environmental and social obligations and confirming whether resettlement commitments have been fully achieved.

The Ministry of Public Works now invites eligible consultants (firms) to indicate their interest in providing these services. Interested consultants **must** provide information indicating that they are qualified to perform the services (i) information detailing the company's existence and areas of expertise (ii) list of similar assignments and experience in similar conditions, (iii) list of overall permanent and temporary staff in fields related to the assignment (iv) evidence of past performance (v) any other relevant information. Consultants may constitute joint ventures to enhance their chances of qualification.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank's ***"Procurement Policy and Methodology for Bank Group Funded Operations" (BPM), dated October 2015***, using the Quality & Cost Based Selection (QCBS) method which is available on the Bank's website at <http://www.afdb.org>. The MPW is under no obligation to shortlist any consultant who expresses interest. The ESPA will be undertaken on a yearly basis over the four-years civil works construction and defects liability period with the civil works expected to commence in 2026, while the RAP Completion Audit will be conducted once, aligned with the construction and disbursement cycle.

Interested consultants may obtain further information at the address below during office hours 8:00 AM – 4:00 PM Monrovia Time. Detailed information can be obtained from the Terms of Reference by clicking on the link below:

Expressions of interest must be delivered to the address below by **September 30, 2026 at 3:00PM** Monrovia Time and mention "Expression of Interest for Environmental and Social Performance Audit and Resettlement Action Plan (RAP) Compliance/Completion Audit Consultancy Services for the Mano River Union Road Development & Transport Facilitation Programme (MRU/RDTFP) Phase III: Paving of Kelipo – Putuken - John Davis Town (61.5km)". Interested consultants have the option to submit their EOIs in PDF format by email.
